

Stage 1 2020 Learn From Home Timetable Week 1 Term 2

Hi Everyone,

Below is the timetable for Week 1. Monday and Tuesday are staff development days so lessons will start on Wednesday. This term all work except for Art and News needs to be posted in the [classwork folder](#). By doing this it gives teachers the opportunity to provide you with feedback that is private and all work can be saved in the same place. This makes it easier for teachers to find the work.

The activities that are highlighted in **BLUE** are the daily activities that teachers will be providing feedback for.

Literacy and Maths lessons will be delivered in a [GOOGLE SLIDE](#) presentation. The lessons there are labelled lesson 1, lesson 2 etc. Please take time to look at these slides. They are a new way of delivering lessons so there may be some glitches. If you have any questions then ask your teacher in the Q and A check in times on Google Classroom. These have changed.

They are - **10:30-11am and 2.30-3.00pm.**

In Google Classroom there is a folder in classwork called RESOURCES AND TUTORIALS. Information about how to post in classwork will be there.

Work that is posted can be typed and posted as a google doc or word doc. Or you can take a photo of your work in a book and post the photo.

Monday

Tuesday

Wednesday

Thursday

Friday

Daily invitations and information about Grow Your Mind will be posted daily on Skoolbag.

We invite all children to practice different well-being strategies. They are short discussions and activities that can be done each day. They are a call for action for students to do something that will contribute to their wellbeing.

Look at the Grow Your Mind website for a variety of free resources.
